Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data, defense services and hardware for design, development, fabrication and export of Day/Night Range Sights specified for the HITFIST Turret for the Polish Army.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with the first name "Paul" and last name "Kelly" clearly legible.

Paul V. Kelly  
Assistant Secretary

Transmittal No. DDTC 082-04

The Honorable
